Personal Profile

A passionate and driven undergraduate student currently pursuing a Bachelor of Science in Electrical and Telecommunication Engineering at Multimedia University of Kenya. Eager to explore innovative solutions that can create lasting impact within the community and the world. I am committed to continuous learning through projects, hands on experience, and technical exploration as I advance through my engineering journey. I currently volunteer as a publicity lead in IEEE Photonics at Multimedia University of Kenya Student Branch.

Education

Multimedia University of Kenya
BSc. Electrical and Telecommunication Engineering
2024–Present Date

Kakamega High School
Kenya Certificate of Secondary Education (KCSE)
2020–2023
Mean Grade: B+

Vipingo Central Primary School
Kenya Certificate of Primary Education (KCPE)
2012–2019
Marks:390

Skills

- Programming: Beginner knowledge of Python
- Technical Drawing: Proficient in AutoCAD and SolidWorks
- Productivity Tools: Microsoft Office Suite (Word, Excel, PowerPoint)
- Quick Learner: Adaptable and eager to take on new challenges

Certification

- IntroductiontoProgramming–Kaggle.com

Work Experience

Informal part-time jobs on a casual basis to support my education and build work ethic.
(Ready to gain formal experience through internships and volunteer opportunities.)

Hobbies & Interests

- Playing instrumental music
- Tech exploration and DIY tech builds
- Outdoor adventures and diving
